The USDA and State have extended the Seamless Summer Option (SSO) through the 2021-2022 school year. This means all students regardless of their family's income will be able to receive one complete breakfast and one complete lunch at no charge each school day. If bringing a lunch from home and purchasing a milk, the cost is \$0.65 as this program only covers complete meals.

Our district must still collect Household Income Eligibility Forms from families this year in order to continue to receive our Title I money from the State. Title I money helps to pay for programs across the district. If you receive a Direct Certification Letter from our office, you do not need to complete this form.
