Re: Important CTE Information for 9/30/2020 and 10/28/2020

Dear Students and Parents/Guardians,

You are receiving this message because you, or your student, currently attends CTE programming at CiTi Mexico each Wednesday and we need to share important information regarding the following two dates, 9/30/2020 and 10/28/2020.

On Central Square's Instructional Calendar for 9/30/2020 and 10/28/2020, you will notice that Central Square has a K-12 half-day planned for Staff Development. Because your school program is at CiTi Mexico on the above dates, the planned half-day at Central Square **WILL NOT** affect your programming at CiTi. All Wednesday CTE students are expected to attend his/her CTE programming the entire day and he/she will be dismissed at normal time.

The decision to not dismiss our CTE students early is supported 100% by CiTi's CTE Administration—we both understand that by not dismissing early, students would have the greatest opportunity to continue to accrue his/her mandatory program hours and continue to receive important course instruction for his/her programming.

Lastly, we have been in contact with CiTi's CTE Administration and Central Square's Transportation Directors to ensure both dismissal of PVM students and arranged transportation times will continue as normal for the above dates.

If you have questions, please feel free to contact the Main Office at 315-668-4231.

Sincerely,

Kristin Enright
Executive Principal/Director of
Counseling and Pathways to Success
