## CENTRAL SQUARE CENTRAL SCHOOL DISTRICT

---

**Mrs. Christina Smith**  
Executive Director of Pupil Personnel Services

September 23, 2022

Dear Parents/Guardians,

In our continuous effort to support our students, we are happy to let everyone know when Central Square School District is not in session, we will be providing transportation to out of District special education programs. Your child should be following the CiTi BOCES calendar and the calendar of the district your child's program is located in. In the event Central Square is closed for a snow day, we will not be transporting to out of district placements because of the inclement weather and the safety of our students and drivers. If you have any questions please do not hesitate to contact our office or your child's principal.

Christina Smith  
Executive Director of Pupil Personnel Services
