Smart Schools Investment Plan

Central Square Submission #2

Overview of SSBA

The Smart Schools Bond Act (SSBA) authorized the issuance of $2 billion of general obligation bonds to finance improved educational technology and infrastructure in order to improve learning and opportunities throughout the State.

SSIP Central Square Submission #2

Funds Allocated

The Central Square School District was allocated $4,076,734
This funding can be used for:

- School Connectivity - Technology Infrastructure, WiFi, switches, etc.
- Community Connectivity
- Classroom Learning Technology– for example Computers, Laptops, Chromebooks, Teacher presentation equipment, Interactive whiteboards or projectors
- High Tech Security – Camera's,VoIP,
- Facilities improvements to accommodate Pre-K

Preliminary Plan – February 2017

The CSSD implemented a 1:1 initiative. Every student, teacher, teaching assistant, and administrator K-12 has access to a Chromebook.

Chromebooks are kept at school on charging carts that were also purchased through the SSIP.

Total cost of Submission #1 = $1,472,750

Submission #2

As our SMARTBoards age out, it has become necessary to replace them.

We did an extensive search for the product that would best fit the needs of Central Square.

1. Attended ISTE 2018. Visited every vendor on the floor.
2. Sent out inquiries to my colleagues.
3. Sent out inquiries to vendors.
4. Narrowed the field to 3 possibilities from preliminary search.
5. Set up demonstrations and trial periods.
6. Surveyed staff. Narrowed to 2 possibilities.
7. Set up tech meetings with my staff.
8. Sought quotes.
9. District Technology Team made final choice based on all data collected.
