

Welcome to a brand new school year!

We are happy to have you start the year with us. We are going to be doing a lot of fun activities throughout the year and learn so much. Among these items, we will be starting a coffee business where you will read orders that are placed by teachers, make the order and then deliver. We will also be doing a mail run where mail will be delivered to teachers that sign up. The skills that will be worked on are following directions, completing a task in the right order, socialization, being out in the school community, cooking, math skills, reading skills and social skills. We will be having snack time in the morning, so a snack will need to be provided each day. Above all, we will have fun and a great year.

Here is a list of materials that will be needed this year:

- Elmer's glue sticks
- Plastic pencil box
- 3-pack tissues
- Old shirt to wear for paint and craft activities
- Change of clothes that can be kept at school
- Black Expo Markers
- Headphones for the Chromebook
- Water Bottle that has a flip top straw. No screw on caps.
- Composition notebook for daily communication
- Plastic folder
- If your child wears pull-ups or diapers, please make sure those are sent in with wipes.
- Extra set of clothes to keep at school.

We all look forward to a great school year.
