

Dear Parents, Guardians and Students:

Welcome to **6th Grade Team 1**. We look forward to meeting you this fall and trust that with everyone's support, we will have a successful year together. Students, we understand that some of you may be anxious about entering a new building, but we will take it slowly the first few days of school and make sure that you are comfortable in middle school. We hope that all of you are able to attend our 6<sup>th</sup> Grade BBQ, which happens early September. At this event we will share some of the routines and measures the team has in place to help all students be successful.

You'll find our supply list below. To get things started on the right step, please bring your materials to school the first day.
