Superintendent

January 6, 2021

Dear Parents/Guardians,

We were notified today of the following positive COVID-19 cases at Paul V. Moore High School:

- A staff member at Paul V. Moore High School tested positive for COVID-19. The staff member was not at school at any time during the staff member's contagious period so no students or staff were at risk of exposure.
- Three students that attend Paul V. Moore High School have tested positive for COVID-19. Since all three students have not been to school or participated in sports/extracurricular activities at any time during their contagious period, no students or staff were at risk of exposure.

Sincerely,

Thomas J. Colabufo
Superintendent
