December 19, 2020

Dear Parents/Guardians,

We were notified tonight (Saturday) that a staff member at Millard Hawk Elementary has tested positive for COVID-19. We have provided all the names of students and staff that were in close contact with the staff member that tested positive to the Health Department. The Principal just finished calling all of the parents of the students (and staff) that will require a 14 day quarantine, and besides those individuals that she just notified this evening, no one else was at risk of exposure.

The Health Department is working very hard making all of the calls for hundreds of cases throughout the County, and will eventually call all of the staff and the parents of the students being quarantined with full details including their end of quarantine date.

Sincerely,

Thomas J. Colabufio
Superintendent
