Dear Parents/Guardians,

We were just notified by the Health Department of the following cases where students tested positive for COVID-19.

- Two students who attend Central Square Middle School tested positive for COVID-19. Both students are 100% remote and therefore no staff or students were at risk of exposure.
- A student who attends Paul V. Moore High School tested positive for COVID-19. The student is 100% remote so no staff or students were at risk of exposure.

Sincerely,

Thomas J. Colabufò
Superintendent
