

Mr. Thomas J. Colabufo  
Superintendent

September 15, 2021

Dear Parents/Guardians,

Our collective and primary goal is to maintain in-person learning for our students throughout this pandemic. Given the significant spike in COVID-19 cases in Oswego County and Onondaga County, all Meet The Teacher and Curriculum Nights that were originally planned to be indoors will now take place remotely. Our staff will still come to their schools and provide their presentations to their students' parents/guardians remotely. Your child's teacher will provide you with a link that you can access to view their presentation. This will be a similar experience for our parents/guardians without bringing large numbers of parents/guardians indoors while we are experiencing a significant spike in COVID-19 cases.

Your child's principal will be emailing you additional information that specifically pertains to your child's school. We are doing our very best to provide our students with as close to a normal school experience as we can, while complying with the Governor's Executive Orders and the NYS Health Department's mandates.

Sincerely,

A handwritten signature in blue ink that reads "Thomas J. Colabufo".

Thomas J. Colabufo  
Superintendent
