Mr. Thomas J. Colabufo
Superintendent

November 2, 2020

Dear Parents/Guardians:

As a result of the Onondaga County Health Department's and Oswego County Health Department's extremely cautious approach to quarantining people when they were in contact with a person that tested positive for COVID-19, we are minimizing our large in-person gatherings, such as Board of Education meetings and having them virtual for the time being. As many of you are aware, numerous school districts and businesses have had to close down for a period of time so the local health department can conduct their very extensive contact tracing where they seem to quarantine anywhere from 15 to 200 people that have been in contact with even one person that was COVID-19 positive. Even though as of Friday, there were only 31 total active COVID-19 cases in all of Oswego County, the number of people (students and staff in school districts) put into mandatory quarantine keeps rising and school districts are finding it increasingly difficult to secure substitutes for teachers, support staff, and bus drivers.

We will let everyone know when we transition back to in-person Board of Education meetings. Until then, they will all be done virtually through Zoom. The Board of Education meeting dates and times are posted on the District calendar on our school district's website, <https://www.cssd.org/Page/2#calendar1/20201102/month> and on the front door of every school in our District.

Sincerely,

Thomas J. Colabufo
Superintendent
