Dear Parents/Guardians,

We want to provide all parents/guardians with an update regarding the following:

- ✓ In-person learning
- ✓ The revised quarantine guidelines for both Oswego County and Onondaga County (as they are different and Brewerton Elementary must follow the Onondaga County guidelines because it is located in Onondaga County)
- ✓ An update regarding sports and music/band spectators
- ✓ Frequently asked questions we have been receiving from parents so everyone has access to the same information

In the interest of saving you time, we separated the information above so if you only have children at either the secondary or elementary level, you can just choose to look at that information, while others may want to see what is happening at both levels. **(Click on the links below to see the updates)**

- **Secondary Level (Paul V. Moore High School and Central Square Middle School):**

As always, if and when we receive any updates from the NYS Health Department, the local health departments, the NYS Education Department, or the Governor's Office, we will continue to communicate all of those updates to you, as well as how the updates will impact our schools and your children.

Sincerely,

Thomas J. Colabufo  
Superintendent
