November 23, 2020

Dear Parents/Guardians,

We were notified this morning, Monday, November 23, that a staff member at Hastings-Mallory Elementary has tested positive for COVID-19. We are in the process of contacting all of the Thursday/Friday students that were in that one specific classroom, as well as the teacher and teaching assistant that were in that one classroom on November 19 and 20 to let them know that their quarantine starts immediately. I have been in contact with the Oswego County Health Department this morning, and we are providing them with all of the names of every student in that classroom on Thursday (November 19) and Friday (November 20) with their parents' phone numbers, as well as the staff members' phone numbers that were in that classroom on November 19 and 20. The District has already contacted the two staff members that will be quarantined, and after speaking with the Oswego County Health Department, no other students and staff require a quarantine at this time. Hastings-Mallory Elementary will remain open for in-person learning today.

Sincerely,

Thomas J. Colabufo
Superintendent
