Dear Parents/Guardians,

We were just notified this evening (Wednesday) that a staff member at Millard Hawk Elementary tested positive for COVID-19. We quickly contacted the Health Department and they have conducted their contact tracing investigation and identified all of the students and staff that they have deemed “close contacts” to the staff member that tested positive and now require a quarantine. The Principal is currently making all of the phone calls to the parents of students (and staff members) that the Health Department has deemed close contacts that require a quarantine. Besides the parents of the students (and staff) that the Principal is currently notifying, no one else was exposed and require a quarantine.

Sincerely,

Thomas J. Colabufo
Superintendent
