

Snow Days and 2-Hour Delays

What happens if there is a snow day?

Snow days will operate as they have traditionally operated. If the District calls a snow day then there will be **NO** instruction on those days for **ALL** students.

What happens when there is a 2 hour delay?

- All students in the six schools within our District will still start their in-person and/or remote learning at their regular start time and **WILL NOT** be delayed at all, which includes the CiTi BOCES program located at Central Square Middle School.
- Middle school and high school students who arrive at either CSMS or PVM at 7:30 AM on Monday, Tuesday, Thursday, and Friday will be fully remote and **not** come to school on a 2-hour delay.
- 2-hour delays **will only** affect the following students that will be picked up two hours later:
 - All BOCES Classes/programs running outside of our District (special education and non-special education programs out of District)
 - Ptech students (includes those going to Onondaga Community College)
 - New Visions students
 - Bishop Grimes and Living Word Academy students
 - NYS School for the Deaf (located in Rome, NY)
 - Tradewinds Education Center (located in Utica, NY)
