January 16, 2021

Dear Parents/Guardians,

We were notified today of the following COVID-19 cases across the District:

- A student at Paul V. Moore High School tested positive for COVID-19. Since the student was not in school, no students or staff were at risk of exposure.
- A student at Central Square Middle School tested positive for COVID-19. Since the student was not in school, no students or staff were at risk of exposure.
- A staff member that works at both A.A. Cole Elementary and Hastings-Mallory Elementary tested positive for COVID-19. The staff member was not at either school during any part of the staff member's contagious period so no students or staff were at risk of exposure.
- A staff member that works at A.A. Cole Elementary tested positive for COVID-19. Any staff members deemed "close contacts" by the Health Department have already been contacted by the District and have begun their 10 day mandatory quarantine.

Sincerely,

Thomas J. Colabufo
Superintendent
