April 16, 2021

Dear Parents/Guardians,

The April 9, 2021 revised guidance from the NYS Health Department requires all NYS school districts to have feedback sessions with stakeholder groups prior to returning students for more in-person learning. At Central Square, we will be providing our Central Square Middle School and Paul V. Moore High School students with 4 days of in-person learning per week and our elementary students with 5 days of in-person learning per week beginning on April 30, 2021. We are also continuing to provide the 100% remote option for students as well for the remainder of the school year. Each time the NYS Department of Health lessened their restrictions we were able to modify our original re-opening plan to provide more in-person learning, and we are thrilled to be able to greatly increase our in-person learning beginning April 30th, while still accommodating the many students that are more comfortable with the 100% remote option.

The feedback forums for different stakeholder groups and the Zoom invites are below:
