| Student Board Representative Report Emma Rubar's report. Evangeline Pluta reported more on the flock and said that sadly there are some that are shugging off the adults reprimanding them. We need to make sure that the rules are being following and punishment is being upheld. We are working on Halloween Spirit Week, hoping everyone can join us. The Varsity Football team has won lots of games. The Cheerleading team came in third in competition. The seniors were very happy with the Career Fair, and Open House went super well. Mr. Patch asked the student board representatives how the cell phone ban was going? Evangeline mentioned that some students are being rude to staff, but Emma has not seen that too much, things have been good. Board Member Reports Superintendent's Report Everyone will love what the Cabinet members have come up with for Halloween costumes this year. Also I, along with Steve Patch, went to a meeting last night where Regent Mannion was presenting. The main theme was pathways and Micron coming to our area and how many jobs will be available. We used to have 6000 students in our District, but now we are down to 3500, but we will be rising in our enrollment once Micron comes. | Reports Student Board Representative Report Board Member Reports Superintendent Report |
