<p><b>Item G: Reports</b></p> <ol style="list-style-type: none"> <li>Student Board Representative Report <ul style="list-style-type: none"> <li>Evangeline Pluta informed the Board that Emma Rubar had a game tonight and she wished her good luck. She stated that everyone is finding their classes easily and sports has started. The students are working on Homecoming and the theme this year is “Toy Story”. The theme for the semi-formal is “Rio”. The cell phone policy and keeping the phones out of the school has been working very well. Board President Steve Patch stated that it is a testament to the students in Student Government, who do such a great job.</li> </ul> </li> <li>Board Member Reports <ul style="list-style-type: none"> <li>Board President Steve Patch informed the Board members that he is working on questions for Mr. Jeremy Belfield, who will be the guest speaker at the next Board meeting, September 22. His main concern will be the Strategic Planning. If the Board members would like to send him questions, he will send them on to Pearl, who will make sure Mr. Belfield has them before he attends the next meeting.</li> <li>Board Vice President Kristy Fischmann was contacted by some parents that were asking if the soccer players could use the nets that lacrosse uses. Mr. Colabufo will email Jamie Grimshaw.</li> <li>Board member Casey Morey said the Open House at the middle school on September 16 went great.</li> <li>Board member Kenneth Sherman asked if there was any feedback that Mr. Colabufo could give the Board about the traffic at the middle school. Mr. Colabufo said that it has been phenomenal. Everything is going very well. The one thing he forgot about was to make sure the parents “drop and go”, they cannot stay after they drop off their child, we must keep the traffic flowing. Also, he was contacted by a parent who would like crosswalks on County Route 12. He put them in touch with Mr. Mudd Murphy from the village to talk to him about this.</li> </ul> </li> <li>Superintendent’s Report <ul style="list-style-type: none"> <li>Mr. Colabufo gave a cell phone update – there are no phones being used in the cafeteria, it is going very well. The District has been given \$18,000 to buy some sort of pouch so the students can put their cell phone in them. These pouches are made to block the signals from the cell phones, so you will not hear them go off. Yonder was selling their pouches for \$25.00 each, but we have found the same pouches for \$8.00 each. We have only spent the money allocated to us from the Governor that can only be used for cell phone storage, because you use it or you lose it.</li> <li>He mentioned that the AA Cole building is beautiful. The front wall at PVM High is almost done. The money for this was earmarked three years ago when the capital project was approved by the voters.</li> <li>It was the best back to school, everything went smoothly. The new student day for 9<sup>th</sup> grade was great.</li> </ul> </li> </ol>	<p><b><u>Reports</u></b>  <b><u>Student Board Representative Report</u></b>  <b><u>Board Member Reports</u></b></p> <p><b><u>Superintendent’s Report</u></b></p>
