September 10, 2021

Dear Parents/Guardians,

We were notified today of the following COVID-19 positive cases:

- One student enrolled at Hastings-Mallory Elementary tested positive for COVID-19, and after the Health Department conducted their contact tracing, they provided us with the names of additional students that require a mandatory quarantine. The parents of those students have all been contacted.

- One student enrolled at Millard Hawk Elementary tested positive for COVID-19, and after the Health Department conducted their contact tracing, they provided us with the names of additional students that require a mandatory quarantine. The parents of those students have all been contacted.

Sincerely,

Thomas J. Colabufo
Superintendent
