

Summer Announcement.

It's that time of year. Boys Varsity golf sign ups are now open. Tryouts start August 18th at Greenview 8-11am. In the past we have had an open team where anyone can sign up, but the inability to teach everyone and ensure safety with one coach present the team needs to be limited. We will meet up on the 18th to discuss how the first few days will work then get on the course. The first 2-3 days will be for players to demonstrate playing ability, sport knowledge and team work while score count heavily it's not everything. We will cut the group down on Wednesday and start practices Thursday. Pasta years have shown that varsity players score 50 or below and top 6 players 45 and below.

We have scheduled matches after that.

All communication will be on parent square. I will add everyone to it and remove as necessary.

Each player must have own clubs and equipment and arrive on time for each practice/ tryout time. Each player must be present for each days tryouts. I recommend golf pull carts, the course does have some to rent, but a personal cart can be very helpful rather than carrying your bag each round. The course and school doesn't allow under age to drive a golf cart and for matches each player will be walking.

Until school starts each player is responsible for their own transportation. Once school starts up we will have bussing to the course after school or players can get themselves there. There is no transport from the course back to the school.

Here is our schedule for the season it may and probably will change so stay up to date.

See you on August 18th.
Coach Andrews
