Nurse's Office

We are thankful for our nurses and everything they do!

That includes:

- Assists the School Physician in physical, visual and auditory screening examinations of students and employees;
- Administers first aid and emergency treatment to students and employees;
- Prepares and maintains health records for school authorities;
- Inspects the school plant, playground and cafeteria, and reports on general safety and sanitary conditions;
- Orders, inventories and oversees the storage of first aid and related health supplies and equipment;
- Consults with attendance teachers, staff members and school nurse-teachers concerning a variety of health factors related to non-attendance and communicable disease;
- Prepares records and reports as required.
- Provides COVID testing to staff and students.

Knowledge, Skills And Abilities

Good Knowledge Of:

Nursing principles and techniques and their relation to medical practices and skill in their application; and material-medica, dietetics, sanitation and personal hygiene.

Ability to:

Understand and follow technical, oral and written instructions; keep records and make reports; get along well with students, teachers, parents and others; plan and supervise the work of sub-professional and non-technical personnel.

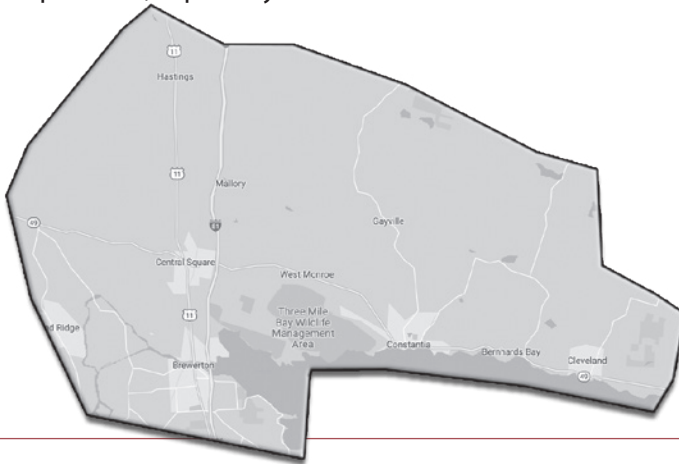

Skills required:

Strong observation skills, mental alertness, firmness, initiative, cheerfulness, patience, emotional stability, sympathetic attitude toward the sick, good moral character, good physical condition.

The Central Square School District does not discriminate on the basis of race, color, national origin, sex, disability or age. Further, the District does not discriminate on the basis of religion or creed, sexual orientation, military status, genetic status, marital status, domestic violence victim status, criminal arrest or conviction record, or any other basis prohibited by state or federal non-discrimination laws.

Transportation

Central Square buses go round and round, covering the largest school district in terms of land mass in the state at 200-plus square miles throughout the district. Throughout the course of a year, the transportation team will travel a combined 1.2 million miles per year. Our drivers and mechanics go through multiple trainings and certifications each year, and buses receive daily checks plus are inspected every 30 days. Remember to stop for buses with their lights on and have patience, especially in the CNY winter!

Wishing for a snow day?

Snow emergency closing conversations begin as early as 3:30 a.m., and include talks with multiple town and village personnel all around the various areas Central Square encompasses!

Join our team!

We are constantly looking to hire substitute drivers, call today!

Did you know?

District transportation vehicles travel about 1.2 million miles/year!
One of the largest transportation operations in the state.

Athletics/Health/PE

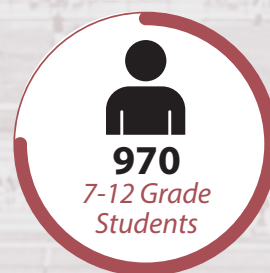

Even during the pandemic year, Redhawk sports were incredibly popular with 970 students participating in athletics across grades 7 through 12. While state mandates have impacted some of the protocols for fans and athletes, Central Square is pleased to be able to host nearly 300 home contests each year in its various top-notch facilities. With students having missed a lot of in-person learning the past two years, our PE staff knows there are different backgrounds and social-emotional needs which they accommodate while still adhering to standards and challenging all.

We are currently working on new standards to be implemented in 2023. We will be aligning curriculum in order to shift to the whole student with a focus on social-emotional learning.

Child Nutrition

We proudly serve hundreds of students each day, maintaining a balance between nutritious meals and items we know children love to eat. Child nutrition has developed immensely in the past decades and it's now a well-known fact, eating properly is a major contributing factor to a successful day in the classroom for all ages. The Seamless Summer Option allows students one free lunch each day, with the option to purchase extra items on their lunch accounts.

For Every 1 Food Service Staff Member

Strict guidelines set by State and Fed from USDA

One Free Reimbursable Lunch & Breakfast

We are meeting students where they are offering quick, accessible and nutritious options on the go via the Skool Beanz Coffee Shop and Character Cafe

Reimbursable meal includes:

- A credited protein (Meat, Cheese, Eggs or Legumes)

- A credited Whole Grain (Bread, Rice or Pasta)

- A credited Vegetable

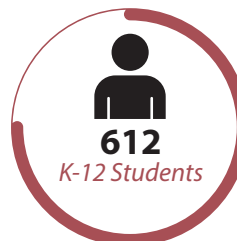

- A credited Fruit

- 8 Fluid ounces of milk

Pupil Personnel Services

Our pupil personnel services can help with advice and questions regarding special education. The department holds just shy of 1,000 meetings for its special education students across the district, including family meetings and 504 meetings. As a whole, this department is working toward streamlining processes and procedures to enhance efficiency, as well as continuing to build a supportive school community.

16 elementary special ed teachers

24 secondary special ed teachers

6 school psychologists and
1 school psychologist intern

Maintenance

Things are happening because of the maintenance department! In addition to the seven schools, operations and maintenance also maintain six grounds used for athletic and other events, multiple septic tanks, out buildings and heating boilers. That's in addition to clearing the snow to help get buses to school in the unpredictable CNY weather. Since COVID, additional cleaning and sanitization and improved airflow systems have become regular fixtures in the classrooms for maximum safety.

The Maintenance department has:

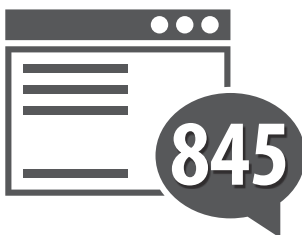

- Three staff members certified in pesticide application and four certified in tank operation.
- Periodic PESH and OSHA checks
- 11 month fire inspections
- Yearly insurance inspections

IT Department

The Information and Technology Department is plugged in, managing 4,811 student Chromebooks each year and fulfilling a thousand Help Desk tickets along with hundreds of phone calls. All this hard work helps Central Square stay among the frontrunners in technology and continue to mold future citizens for an increasingly digital society. In addition to those responsibilities, IT installed 300 Clear Touch Panels in learning spaces, trained all staff on a new LMS and keeps the community up to date with communications every week. On top of that, IT is constantly keeping up its practices for cybersecurity and data protection to keep our students and staff safe from phishing, ransomware and any other digital threats.

Central Square Central School District

The Central Square Central School District covers 200 square miles in size and spans across the three counties of Oswego, Onondaga and Oneida. There are four elementary schools that are all comprised of Pre-Kindergarten through 5th-grade students: Brewerton Elementary located in Brewerton, A.A. Cole Elementary located in Constantia, Hastings-Mallory Elementary located in Hastings, and Millard Hawk Elementary located in the Village of Central Square. The Central Square Middle School is comprised of 6th through 8th-grade students and is located in Central Square, and Paul V. Moore High School, serving grades 9 through 12, is located in the village of Central Square.
