Dear Parents/Guardians,

We were notified yesterday evening, after school hours, of the following two COVID-19 positive cases:

- One student enrolled at Millard Hawk Elementary tested positive for COVID-19, however, since the student was not in school yesterday or today, no students or staff were at risk of exposure so no one, besides the infected student, are being quarantined by the Oswego Health Department.
- One student enrolled at Hastings Mallory Elementary tested positive for COVID-19, however, since the student was not in school yesterday or today, no students or staff were at risk of exposure so no one, besides the infected student, are being quarantined by the Oswego Health Department.

Sincerely,

Thomas J. Colabufo
Superintendent
