Dear Parents/Guardians,

We have had parents recently contact us regarding the November 15 COVID-19 vaccination clinic that will be housed at Paul V. Moore High School from 2:30 PM-6:30 PM for children 5 years and older. The Oswego County Health Department provided our District with an additional one hundred appointments this morning, and we currently have 42 available appointments left.

If you are interested in registering your child for a time slot at our November 15 vaccination clinic, see the following link:
